Cultural events and art at the triangle create a welcoming area for visitors and residents.

## **Polish Triangle Coalition**

### **WHO WE ARE**

The Polish Triangle Coalition (PTC) is a group of community leaders and educators who have been meeting regularly since its inception in August 2011 to work on ideas and practice for improving the area bounded by Ashland Avenue, Milwaukee Avenue and Division street, known as the Polish Triangle. In the last seven years, we have created an atmosphere of change and improved the use, safety and

perception of the triangle through our programs. We have been able to engage neighborhood community groups, merchants and local schools to work with us in creating a more pleasant and lively area at this intersection.

### **WE NEED YOU**
